

A show your team *will remember*

Rewanz is an interactive live game show hosted by professional actors. Proprietary technology and a scenario tailored to your company turn every event into a real show.

Professional hosts

Formally trained actors with extensive film and theatre experience

Proprietary technology

A proprietary Unreal Engine app, physical consoles and full technical support of online event.

Online app

Online game shows for remote teams hosted by professional actors.

ORDER AND DELIVERY PROCESS

01 — FIRST ENQUIRY

Email or call us

A quick email or call is enough. We respond within 48 hours with questions about your event and an initial proposal.

02 — OFFER MATCHING

We agree the format and details

You select the package; together we agree the date, venue and participant count. We sign the agreement and you pay a 30% deposit.

03 — GAME PREPARATION

We build the event around your brand

We tailor the questions and categories. We send the game package for your approval.

04 — DELIVERY

The Show begins!

Equipment or online setup, hosts and technical support are included. You simply enjoy the game show at your event.
