

live mobile *game show*

**rewanz (Polish for “rematch”)*

game show

live entertainment, not just another quiz

Mobile format

We come to you and host the event on site.

Own app and consoles

A proprietary game application designed from the ground up for our dedicated console.

Online

App that enables remote game show sessions with live hosting.

Professional host

Our participants are the stars; a professional host helps them shine and responds to their needs.

everything a great show needs

1

Choose a package

We help you select questions and visuals tailored to your event.

2

We come to you

Our scenography and equipment arrive directly at the venue. You do not need to go anywhere.

3

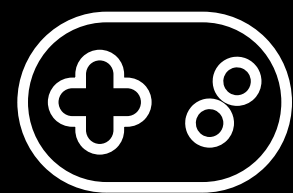

The show begins

We set up the stations, form teams and launch the live game show.

4

Competition and real emotions

Participants answer questions, score points and follow the live ranking.

Feel like you are in a TV studio

Custom-built console

Designed from the ground up as a physical link between the participant and the game.

Finished in natural oak, with tamper-resistant buttons and wireless communication with response times below 10 ms.

Solid design meets technology built for live action.

we will bring to life

*Your own
ideas...*

Every occasion calls for *rewanz*

- corporate team building
- events and conferences
- training sessions
- pub entertainment
- weddings and private parties

*For a moment, I
felt transported to
a completely
different world.*

rewanz is more than a game

**It is an event your team
will remember.**

competition • fun • real emotions

*the best team-
building event
in years...*

—Bartosz / IT Specialist

Why does it work?

gamification turns spectators into players
emotions, competition and the satisfaction of victory
become interactive live gameplay

Competition

Scoring points and following the live ranking naturally engage participants and build excitement.

Emotions

Unexpected and often funny questions make participants remember your event.

Interaction

Participants engage positively with the host and other players.

A show instead of a boring quiz

Actors, multimedia and the pace of the game create the atmosphere of a real live game show.

Hosts

star-studded cast

Your event deserves the best! That is why rewanz is built by certified trained actors with years of film and theatre experience.

During the live game show, they draw on skills honed over years on Netflix, HBO and Munk Studio productions.

No real show is complete without
the right visual production.
